Instructions to Parents/ Guardians

On the next pages of the Medication Administration Record form must be completed and signed by both you and the authorized Prescriber (Physician, Dentist, Physician Assistant, Advanced Practice Registered Nurse) for EVERY medication—whether over-the-counter (e.g., Advil) or prescription (e.g., Albuterol) - and each medication must have its own form. All over-the-counter medications must be in new, unopened container. There are non-prescription medication available in the Health Center at all times. You can find a list of the available medications on the Health Form.

Medication shall only be administered by the Health Officer, Assistant Director, or by a licensed health care professional authorized to administer prescription medications. The health care consultant shall acknowledge in writing the list of medications administered at the camp. If the health supervisor is not a licensed health care professional authorized to administer prescription medications, the administration of medications shall be under the professional oversight of the health care consultant. Medication prescribed for campers brought from home shall only be administered if it is from the original container, and there is written permission from the parent/ guardian.

Health Officer— A person who is at least 18 years of age, specifically trained and at least current in Red Cross First Aid (or its equivalent) and CPR, has been trained in the administration of medications and is under the professional oversight of a licensed health care professional authorized to administer prescription medications.

Information about Medication Distribution:

- Medications must be in the original container and labeled with child's name, name of medication, direction for medication's administration, and date of the prescription. All unused medication will be destroyed if not picked up within one week following the camper's departure from camp.
- Campers are not allowed to have any medications (prescription or non) in their cabin.
- Counselor will carry any emergency medications (Epi-pen or inaheler) and will be with that camper at all times. All other medications will be carried by the Health Officer or other approved camp staff and stored in a locked cabinet.
- Medication requiring refrigeration will be kept in the refrigerator locked in the Health Center.
- The Health Officer is not available 24/7 for routine medication distribution. There will be normal dosing times that are just prior to meals and before bed.
- If dosing requirements mandate something other than the routine frequency please contact the Camp Office to find out if that schedule can be accommodated.

I have read the above and agree to abide by the requirements.
