OVERVIEW

Introducing Day Adventures in the Pines! A summer day camp where campers have new experiences on Camp Albemarle's new property! Middler Day Adventure campers will enjoy many new and exciting activities such as low ropes challenge course, archery, arts and crafts, tree climbing, survival skills, swimming in our pool, Bible study, mountain biking, and more to come! (See our mock schedule of events.) Day adventure camps are organized in family groups. Each family group typically consists of two counselors and 15 campers. Family groups participate in all activities together. Depending on registration numbers, some family groups are single-gendered. Family groups are organized by camper age and grade.

No need to pack for lunch. Lunch and snacks are provided!

In our Middler Day Adventures program, we strive to nurture spiritual growth in our campers through interaction with the wonders of God's creation and to foster deep relationships with Christ in our churches, communities, and the world. Our camp programs create purposeful opportunities to plant seeds and have campers grow spiritually throughout the day. At morning watch campers receive a seed for thought, providing them with a focus for the day. Bible study grants living water for campers to seek teachings directly from the Bible based upon what was planted earlier that morning.

PHYSICAL FITNESS
