## OVERVIEW

**Mini Camp** is the perfect introduction to the magic of Camp Albemarle, designed especially for first-time campers! This shortened version of our residential camp packs in all the fun and excitement while giving campers the confidence to experience life at camp. From the moment they arrive, campers will dive into a world of thrilling activities like **sailing, the giant swing, low ropes challenge course, archery, arts and crafts, and tree climbing**—all tailored to help them bond with new friends and get comfortable in their camp community. They'll also cool off with **swimming** and laugh their way through **skit night**, making memories that will last long after camp ends.

But Mini Camp isn't just about fun—it's about **growing in faith** and learning to live in a Christ-centered community. Campers will worship around a **campfire**, take part in **Morning Watch** to receive a daily "seed for thought," and dive into the Bible during **Bible Study** to strengthen their spiritual roots. **Vespers** and **Devotions** provide meaningful opportunities for reflection, questions, and deeper connections with God, all in the stunning backdrop of God's creation.

Campers are placed in **family groups**, with 5-7 boys and 5-7 girls, led by both male and female counselors who provide plenty of love, attention, and guidance. These groups stick together for all the activities, creating strong bonds and friendships. Campers are housed separately by gender in cozy cabins, making their first camp experience comfortable and fun. Some groups may be single-gender depending on registration numbers, and we take camper age and cabinmate requests into account to ensure everyone has an amazing experience.

**Mini Camp** offers the perfect mix of adventure, friendship, and spiritual growth, giving first-time campers a taste of the incredible camp life at Albemarle while helping them grow closer to God in a supportive and exciting environment. Get ready for a life-changing experience—**Mini Camp** is just the beginning!
