

Camp Albemarle- Job Listing

Assistant Maintenance Technician

The Assistant Maintenance Technician supports the care, upkeep, and improvement of a 100+ acre private nature school and Christian summer camp property. This role assists with routine maintenance, repairs, and grounds work to ensure facilities, trails, and outdoor spaces are safe, functional, and welcoming for students, campers, staff, and guests.

Key responsibilities include assisting with building and equipment maintenance, basic carpentry and repairs, landscaping and groundskeeping, trail upkeep, seasonal preparations, and event setup. The position works closely with the maintenance team to respond to daily needs and special projects while supporting a Christ-centered, mission-driven environment.

This role is a full-time position and is ideal for someone who enjoys hands-on work, outdoor settings, teamwork, and contributing to a faith-based educational and camp community.
